

## Lagunitas-Heineken Renews Waldos Beer

The Waldos and Lagunitas-Heineken Breweries are happy to announce their three-year renewal-cooperation (2022 to 2025) for the continuing production and promotion of Waldos Special Ale, the tremendously successful seasonal IPA brew. Since 2011, brewed every year in the months leading up to April 20 (420 Day Celebrations), the strong and dank beer celebrates the Waldo's heritage true stories— the beginnings 420.

With the opening and expansion of the Lagunitas Chicago Brewery production facility and TapRoom the reach of Waldos Special Ale has spread much further into the Midwest and Eastern U.S. There were even reports in 2021 of the beer turning up-being enjoyed in the United Kingdom.

If not derailed by Covid restrictions-a surge, the Waldos will show as they have done for many years for friendly meet and greets at the Lagunitas Petaluma CA TapRoom beer gardens in the days leading up to April 20th.
